Doors open at 8am, tournament starts sharp at 830am. If we have 120 entrants, then will be time critical to keep moving from one match to the next without delay. We aim to be finished between 8:30-930PM that evening. Please keep on table warmups to a strict 1 minute, should you need further warm up, there is plenty of room for this, but tables need to be kept free for matches.

MAXIMUM 120 entrants, no gender specific events, just an open match-like tournament.

Format will be groups of up to 8, based on entrants. Groups will be drawn based on standard using the national ranking system to attain the top seeded players. There will be 2 of these per group. Everyone ranked outside of these top seeded spots will be treated as equal and it will be randomly drawn. The draw will take place on Facebook live stream and later uploaded to YouTube for maximum coverage.

Thereafter, top 2 in each group will go into the main draw which has already been sorted and will be on show on the wall for peoples viewing.

TABLE TENNIS

Rules for the tournament.

- All matches will be played in accordance with normal rules in which play will be best of 5, first to 11 with deuce rules (2 clear points to win the set starting at 10-10)
- Competitors must be members of table tennis England for insurance purposes (free to do as a club member)
- Entrants will be deemed scratched unless previously notified of a late arrival if not within a 30-minute window of start time, and the place will be offered to any entrants looking for a scratch entry on the day.
- A time schedule is in place and should be strictly kept limiting the risk of delay for the next matches.
- Group winners will be decided on matches won. If those are equal with another player, then it will be the head-to-head between those 2 positions to determine who goes through as 1st and who goes through second. Everyone else in the group will finish joint 3rd. there is no consolation.
- If there is a 3-way tie for 1st and 2nd place in the group, this will be determined by sets won/lost. If that is still tied between the players then it will go down to points won/lost.
- A report for the newspaper and recordings will take place for the MATRIX TT YouTube channel and website, if you do not wish to be a part of these, please notify me (Joe Britnell) prior to the event commencing so I can do my best to limit this.
- Acceptance of these Regulations is itself a condition of entry.
- Play will be with Tibhar or equivalent seamless 3* balls.
- No refunds will be accepted due to financial cost to run the events.
- Time outs will only be allowed from the knockout stages only and a strict one-minute time out will be allowed once per match.

- Doping is not allowed and normal procedures for such issues will be followed. No speed glue or other such substances to glue bats will be allowed as accordance with ITTF ruling.
- Prize money is distributed as follows, WINNER - £500 Runner/Up - £250, Losing semi-finalist - £75, Losing quarter finalists £25. The winner and running up also receive a trophy.
- Due to volume of matches in the group stages, there will be no consolation event and a straight knockout to determine our winner will ensue.
- The format of the knockout stages is as follows. As we have 15 tables, the winner of group 1 and 2 will automatically qualify for the last 16, skipping the round of 32. Everyone else will play the last 32 round for a place in the last 16, then the draw will play out as per the draw sheet which will be found in the hall.
